

CALLING ALL FAMILIES!

Are you a **South Asian** family with an **autistic** family member (aged 10-18) living in Canada?

What is the study about?

- » We are interested in learning about the **positive experiences** (flourishing) of **South Asian** families of **autistic youth**

What will we be asked to do?

- » Your family will complete a 45-60 minute **online interview** about what makes your family flourish
- » Interviews will be offered in English, Hindi, Urdu, and Gujarati
